

PRASHANTH THAMMALI

Hyderabad, India | thammaliprashant295@gmail.com | +91 6301235420 | LinkedIn | GitHub

Career Objective

Enthusiastic Computer Science and Engineering (AI & ML) student with a strong interest in Full Stack Development and Artificial Intelligence. Passionate about creating responsive, user-friendly websites and developing freelance web solutions for individuals and businesses. Seeking opportunities to apply my skills in frontend and backend development, databases, and AI/ML while gaining practical experience and contributing to real-world projects.

Education

DRk Institute Of Science And Technology , Hyderabad	Expected Graduation : 2027
B.Tech in Computer Science and Engineering (AI & ML)	CGPA: 7.84 / 10
NRI Junior College , Hyderabad, Telangana	May 2023
Intermediate in MPC	Percentage : 94.6
Genius Grammar High School , Shadnagar, Telangana	March 2021
Secondary School	Percentage : 100

Technical Skills

Programming Languages: C, Python

Front-End: HTML, CSS, JavaScript ,React.js

Back-End: Node.js

Database: MySQL

AI & ML: PyTorch, Hugging Face Transformers, Whisper, DistilBART, KeyBERT, OpenCV, Tesseract OCR

Core Concepts: Data Structures and Algorithms, Object-Oriented Programming

Tools: Git, GitHub

Projects

AI Based Intelligent Notes Summarizer And Recommendation System

- Developed a privacy-first ML pipeline using PyTorch and Hugging Face models (Whisper, DistilBART) to transcribe and summarize multimedia content.
- Built a concept extraction engine using KeyBERT embeddings and cosine similarity to identify knowledge gaps and recommend relevant learning resources.
- Technologies used: Python, PyTorch, Hugging Face Transformers, Whisper, DistilBART, KeyBERT, OpenCV, Tesseract OCR, React.js, Node.js, and MySQL.

Coding Platforms

LeetCode: leetcode.com/PrashanthThammali

GFG: [geeksforgeeks.org/profile/PrashantThammali](https://www.geeksforgeeks.org/profile/PrashantThammali)

Awards And Certifications

- Generative AI Fundamentals
- Reinforcement Learning and Deep Learning Essentials

Achievements

- Strong understanding of Data Structures and Algorithms.

Strengths and Interests

- Hardworking and self-motivated individual interested in learning new concepts, with problem-solving abilities and effective teamwork skills.
- Keen interest in sports (cricket) and staying engaged with emerging technologies and tech communities.

- Good communication skills with the ability to work effectively in team environments.
- Full Stack Web Development.
- Building AI-Based Applications.
